Rise Tarnished Elden Lord Genesis UI created by SoraFactory, SmileM-Studio, XOA GameDev Studio, Korea RTV, What MOBI What is this app? This app is an Action RPG game made by XOA GameDev Studio. Welcome to a world of Mana. In this universe, the people exist for the very first time and a new legend is born. The story revolves around a group of Elden, but even the Elden have a wide range of different races and abilities. The game is divided into stages of increasing difficulty in increasing numbers. The stages are divided by land or sea and you will travel on foot or with your mount. The boss that appear for each stage becomes gradually stronger until you face the final boss. This is an Action RPG game that you can play solo or with your friends! [How to Play] There are 2 modes: - Solo Play is a mode where you can only control your character. - Multiplayer is a mode where you and your friends can control your characters together. [Features] [Single player mode is extremely easy and can be played by anyone. [3 Modes (Single player, Multiplayer, Friend's Mode). [Prepare to fight against the greatest monsters and terrifying bosses in the game. [6 types of characters. [Create your own character. [A brand new experience of Action RPG. [Optimized for touch interface. [Collect Digimon from the world of Mana. [Once you get the last Digimon, the story will not be completed. [Story] Legend has it that there are three types of races in the world of Mana: - The Elden, the race of people, - The Guardian, the race of life itself, - The Sorceresses, the race of mana. The Sorceress race was a wild race that called the people of the Elden race "Eldenwisemen". The Elden race got close to the Sorceress race and the Elden were denied their evolution to the next stage. In addition, the Sorcerer's race lost their battles with monsters and were hunted down. They disappeared into the land of Mana. The Elden race is the last race of Mana. However, the Sorcerer race and Guardian race remain today, and roam the mountains and forests of

WARNING!

I just wanted to write to let you know how much I love your work!

A lot.

I always thought this was a badly needed change but I haven't managed to get on to my dev stream. Been busy. Also any chance I could add you to a subreddit, my account is here
